

Issues Log **UPDATE** March 2024

This log is in order of information received, **not** in order of priority. (The order of priority indicated is FOCOP's not RDC's.)

Issue No:	Date Issue Raised	Description/Location	Priority	Progress to date	
2	May 2021	Culvert to be installed in ditch at the point where the path leaves New England Wood, near the stream, and opens into the meadow. ///upper.stress.twigs	Medium Enjoyment of the park	Tesco Grant - work to proceed when weather improves.	
3	May 2021	Steps down from Edwards Hall Park into Cherry Orchard Park – additional step needed. Very slippery when wet.	High Health and Safety	No action taken as ownership of steps/land at this point unknown.	
4	October 2022	Cut back blackthorn and scrub to make the path safer beside the stream approx. midway between Blatches Farm and the car park. ///bigger.dome.leans	High Health and Safety	New culvert installed	March 2024 
5	October 2022	Improve the current path through the plantation east of the byway at Pooh Sticks Bridge, to offer an alternative route when the streamside path is flooded/waterlogged/muddy.	Medium Enjoyment of the park	Work being costed	
6	October 2022	Bridleway diversion to avoid badger sets.	Medium Enjoyment of the park	Work costed - path to be diverted via the Lake Meadow	
7	October 2022	Replacement posts at the gate openings through the large plantation enabling walkers only to access the path through the plantation.	High Health and Safety	One replaced, other still missing. Riders using this path due to badger damage along the bridleway.	
10	October 2022	Remove broken fencing around the Orchard	Medium Enjoyment of the park	Work in progress - volunteers cleared most of this in March 2024	March 2024 
11	October 2022	Litter bins to be moved from beginning of bridleway to junction with Blatches Chase.	Medium Enjoyment of the park	Litter bins moved and new bins installed throughout the park.	
14	Graffiti	None reported recently.	Medium Enjoyment of the park		
15	March 2024 Ongoing illegal park access	The concrete blocks preventing access to the park from the meadow adjacent to New England Wood have been moved again. Horses accessing and riding in the fields.	A legal issue for RDC.		

Issues Log **UPDATE** March 2024

Item 4

New culvert installed.
